***and offers YOU the opportunity to help those in need. Your contribution will help provide heating assistance to low-income households in your community.***

## What is Heating Assistance?

Because of illness, loss of employment or other crisis, some Idaho households have difficulty paying their heating bills. Project Share, Project Warmth and Keep Kids Warm funds are designed to help our neighbors with temporary heating emergencies. Often these financial setbacks are temporary and can be relieved with a little concern and assistance from friends like you.

## Automatic Contributions:

Pledge contributions can be made automatically with your payment each month. To begin contributing or to increase your current contribution, complete the form on the reverse side of this card and return with your gas payment or mail to P.O. Box 64, Boise, ID 83732. Then each month we will add your pledged amount to your bill. At the end of the year, we will report the total amount you have donated during the year. To change or cancel your pledge, please call our Customer Service at 208-377-6840 in the Treasure Valley or 1-800-548-3679 for all other areas.
