

Working Together To Keep Kids Warm

Intermountain Gas Company is proud to partner with KIZN 92.3 in raising money for the Keep Kids Warm fund.

How Did It Start?

It all started in 1996 when KIZN 92.3 FM RADIO received a call from a young listener trying to win money so she could order heating oil to keep her family warm.

That call became the foundation for the Keep Kids Warm fund which has since raised \$700,000 and helped over 1,000 Treasure Valley families with heating assistance.
