

People Helping People

Because of illness, loss of employment or other crisis, some Idaho families have difficulty paying their heating bills. Project Share is designed to help our neighbors with temporary heating emergencies (it is not a long-term assistance program).

Want to help a neighbor with their heating bill this winter?

Send your tax-deductible contribution to:

**Project Share
4308 West State Street
Boise, ID 83703**

Or, contributions can be made automatically with your Intermountain Gas payment each month. Just click on our [Heating Assistance Program](#).

Need help with your heating bill?

If you would like to apply for energy assistance or want additional information about Project Share, call the Project Share distribution center nearest you.
