Working Together to Keep Kids Warm

Intermountain Gas Company is proud to partner with KIZN 92.3 FM in raising money for the Keep Kids Warm fund.

Keep Kids Warm

KIZN 92.3 FM

INTERMOUNTAIN GAS COMPANY

How did it start?

It all started in 1996 when KIZN 92.3 FM radio received a call from a young listener trying to win money so she could order heating oil to keep her family warm.

That call became the foundation for the Keep Kids Warm fund, which has since raised \$1,170,000 and helped more than 2,400 Treasure Valley families with heating assistance.

The Keep Kids Warm fund is available to assist with heating costs for low-income families with children.

You can make a difference!

Customers wishing to help can make a pledge each month with their gas bill or make a one-time donation to Keep Kids Warm.

The KIZN Keep Kids Warm Auction will be held

Dec. 11 – 17, 2017

Items are auctioned on-air and on-line, so listen to KIZN 92.3 FM for details. View sale items during the auction at

www.KIZN.com.

Automatic contributions

Contributions can be made automatically with your Intermountain Gas payment each month. To begin contributing, or to increase your current contribution, complete the form on the back page and send that portion with your gas payment.

Then each month we will add your pledged amount to your bill. At the end of the year, we will report the total amount you have donated during the year.

One-time donation

Please send a separate check payable to Keep Kids Warm with your Intermountain Gas payment and we will forward the donation to the fund.
