

# Project Share

## People Helping People

Because of illness, loss of employment or other crisis, some Idaho families have difficulty paying their heating bills. Project Share is designed to help our neighbors with temporary heating emergencies (it is not a long-term assistance program).

### **Want to help a neighbor with their heating bill this winter?**

Send your tax-deductible contribution to:

**Project Share  
4308 West State Street  
Boise, ID 83703**

Or, contributions can be made automatically with your Intermountain Gas payment each month by signing up for a monthly pledge amount. For more information, please contact Intermountain Gas Customer Service at 208-377-6840 or 1-800-548-3479.

### **Need help with your heating bill?**

**If you would like to apply for energy assistance** or want additional information about Project Share, call the Project Share distribution center nearest you.
