Third-Party Notification

We offer Third-Party Notification service to residential customers of Intermountain Gas Company.

This service is designed to help customers, especially the elderly or infirm or those with language or reading problems, when there is a risk of losing gas service due to nonpayment of past-due bills or service-related situations.

Intermountain Gas will attempt to contact a designated third party (friend, relative, clergyman, social agency, bank, etc.) in writing or by telephone before discontinuing residential service. *The third party is under no obligation to pay the overdue bills.*

If you wish to sign up for this service, fill out the attached form and return it with your next gas bill payment or mail separately to P.O. Box 7608, Boise, ID 83707-1608. Be sure both parties involved sign the form.

If you know of someone who might benefit from this service, or if you have any questions about Third-Party Notification, please call us or send us an email.
