

LIHEAP

The Low Income Home Energy Assistance Program

Applications are taken

Nov. 1-

Jan. 31

at Community Action Agencies

is designed to assist eligible low-income households pay for winter energy services. LIHEAP provides a one-time benefit to be used for energy bills. The amount of payment is determined by income, household size, fuel type and geographic location. LIHEAP is funded by the U.S. Department of Health and Human Services.

Local agencies offer three types of energy assistance:

- LIHEAP (one-time payment).
- Emergency Heating Assistance.
- Weatherization Assistance Program.

Eligibility is determined by the current year's poverty guidelines.

Heating Assistance Programs

Assistance is available for temporary heating emergencies.

Neighborhood Programs

Some people may have difficulty paying their heating bills due to an unforeseen family emergency or financial hardship. These people may be eligible for heating assistance through one of these programs.

People Helping People

The Salvation Army partners with community assistance agencies to distribute funds to low-income families.
