ARE YOU BUYING A NEW ENERGY EFFICIENT HOME?

Ask the builder about the Home Energy Rating System (HERS) Index Score.

The HERS Index Score is the way a home's total energy performance is measured—and the lower, the better!

The lower the score, the more affordable, comfortable and energy efficient the home.

To learn more about energy saving rebates for your home, visit www.intgas.com/residentialrebates.

APPLIANCE REBATES
