How does the Gatekeeper Program support seniors in the community?

A senior citizen living alone, perhaps without all the vim and vigor of earlier years, but certainly not without the pride of being independent, may need help.

In their advancing years, seniors sometimes need a watchful eye and a helping hand. That's why Intermountain supports the Gatekeeper Program.

Please be aware of seniors and their condition.

If visible changes in their appearance, physical or mental behavior, or living conditions are noticeable, please call the Agency on Aging or a local senior center and help will be on the way.

The Gatekeeper Program is designed to bridge the gap between seniors in need and social service agencies.

A Gatekeeper Program referral to the Area Agency on Aging can provide assistance with the following:

- Legal assistance
- Nutrition (Meals On Wheels)
- Homemaker services
- Chore services
- Caregiver support
- Case management
- Adult protection
- Housing
- Employment
- Transportation
- Information/referral
- LTC Ombudsman
