KEEP HEATING BILLS UNDER CONTROL THIS WINTER

Intermountain Gas Company and our community partners offer bill pay assistance programs to help with natural gas bills, keeping homes warm and comfortable throughout the heating season.

ASSISTANCE PROGRAMS

Information about assistance programs and contacts for Community Action Agencies is available at www.intgas.com/help

KEEP KIDS WARM

Available in the Treasure Valley Area to assist with heating costs for income-qualified families with children. For information visit Intermountain's Assistance Programs webpage to find the Community Action Agency serving your community.

WINTER PAY

Allows qualified customers whose households include children, elderly or infirm persons during the winter months (November through March) to pay a portion of utility bills when the full amount is unable to be paid. In the spring, payment arrangements are made to pay off any remaining balance owed.

PROJECT SHARE & PROJECT WARMTH

These are community-based programs for income-qualified persons or families who have exhausted all financial resources and other energy assistance benefits. Project Share is administered through the Salvation Army. Project Warmth is administered through Eastern Idaho Community Action Partnership (EICAP) and South Eastern Idaho Community Action Agency (SEICAA).

LOW INCOME HOME ENERGY ASSISTANCE PROGRAM (LIHEAP)

This is a federally funded program that provides a once-per-program-year benefit to assist with heating costs. Apply with the nearest Community Action Agency.

Keep cozy by using resources and tips at our energy efficiency webpage: www.intgas.com/energy-efficiency.

2-1-1 IDAHO CARELINE

Call 211 to get connected to the resources that will benefit your household the most. All in one place!

IDAHO HOUSING & FINANCE ASSOCIATION

Assistance with rent, mortgage and utility payments is available. For Rental Assistance (outside of Ada County) call **855-452-0801**, and for Mortgage Assistance (Statewide) call **888-991-2166**.

DEPARTMENT OF ENERGY WEATHERIZATION ASSISTANCE PROGRAM

The Home Energy Saver is designed to help consumers identify the best ways to save energy in their homes and find resources to make the savings happen. Visit www.energy.gov/scep/wap/weatherization-assistance-program

LEVEL PAY

This payment option helps budget energy expenses by averaging an even monthly amount throughout the year, as opposed to paying larger bills in the heating season when more natural gas is required.

THIRD PARTY NOTIFICATION

This program serves customers who are elderly, infirm or have a language or reading challenge. If there is a possibility of service discontinuation due to nonpayment or other service-related issues, a third party (such as a relative, friend, neighbor or clergyman) will be contacted in writing or by telephone before the service is discontinued. The third party is under no obligation to pay any overdue bills.
