

Changes to Credit/Debit Card Payment Transactions

If you pay your Intermountain natural gas bill using your credit card, debit card or electronic check, please read below:

- Our independent service provider has changed from BillMatrix[®] to Western Union[®] Speedpay[®].
- Each transaction fee will decrease from \$2.75 to \$1.99.
- Each credit/debit transaction is limited to a maximum of \$600.
- Multiple transactions are allowed. You can make up to five payments per account every 30 days.
- Payments made after 4 p.m. Central Standard Time will be processed the following business day.

ATM or debit cards with the “NYCE[®],” “PULSE[®],” or “STAR[®]” logo can be used for payment. Visa[®], MasterCard[®] or Discover[®] credit cards also can be used.

Pay by Phone: Initiate a credit/debit card payment by calling Western Union Speedpay Bill Payment Service at 1-844-413-7758 and following the prompts. Be sure to have your 11-digit account number ready.

Credit/Debit Card Payments Online: Find the **Speedpay**[®] link, located on the Payment Options page of our website, www.intgas.com. Be sure to have your 11-digit account number ready.

Recurring Monthly Payments: Schedule recurring monthly payments through Western Union Speedpay. This option allows you the flexibility to schedule a set number of payments or select a date for recurring payments to end.

Online Account Services — an alternative payment method — no transaction fees!

Intermountain also offers an alternative payment method available through our website, www.intgas.com. You can make secure online payments 24 hours a day using your active U.S. checking account. Review this easy and convenient payment method today — access your account information online 24 hours a day, monitor your monthly usage history, schedule payments and so much more!
