HOW THE GATEKEEPER PROGRAM WORKS

A senior citizen living alone, perhaps without all the vim and vigor of earlier years but certainly not without the pride of being independent, may need help.

In their advancing years, seniors sometimes need a watchful eye and a helping hand. That's why Intermountain Gas supports the Gatekeeper Program.

Please be aware of seniors and their condition. If you see changes in their appearance, physical or mental behavior, or living conditions, please call the Agency on Aging or a local senior center and help will be on the way.

Gatekeeper is a program designed to bridge the gap between elderly in need and social service agencies.

A Gatekeeper referral to the Area Agency on Aging can provide assistance with the following:

- Legal services.
- Nutrition.
- Home repair.
- Chore services.
- Counseling.
- Case management.
- Health care.
- Housing.
- Employment.
- Transportation.
- Social security.
- Food stamps.
