Rate Schedule EE-RS RESIDENTIAL ENERGY EFFICIENCY REBATE PROGRAM

AVAILABILITY:

The Intermountain Gas Company Energy Efficiency Rebate Program (EE Program) is available throughout Intermountain's service territory to eligible residential account holders served under the Company's Rate Schedule RS.

PROGRAM DESCRIPTION:

The purpose of the program is to encourage upgrades to, or use of, high-efficiency natural gas equipment. This will be achieved through the use of rebates offered towards the purchase and installation of qualified energy efficient natural gas equipment and construction of energy efficient new homes.

ELIGIBILITY:

To qualify for rebates, customers must meet the end-use qualifications identified in the Rebates Table below. All equipment must use natural gas as the fuel source. The customer must also comply with the current program Terms and Conditions.

To qualify for Space Heating rebates, a dwelling must use natural gas as the sole heat source upon installation of rebate-qualified equipment.

To qualify for Water Heating rebates, a dwelling must utilize natural gas for water heating upon installation of rebate-qualified equipment.

Space Heating rebates may not be combined with New Construction rebates. Water Heating rebates may be combined with New Construction rebates.
