Tips

1. The 3rd Party Authorization Form is not required for an Energy Rater to be able to submit on your behalf, however, information that IGC Energy Efficiency can share with the Rater will be limited.
2. Ensure each column has a response for each home applying for a rebate
3. Applications must be submitted to IGC Energy Efficiency within 90 days of the Home Certification Date
4. If you have any questions call 1-800-548-3678 Option 4 or email saveenergy@intgas.com
