Brand \_\_\_\_\_ Model \_\_\_\_\_ Serial Number \_\_\_\_\_

**Energy Star® Verifier Signature: By signing below, Energy Star® Verifier certifies that all necessary inspections are complete and Energy Star Database ID number corresponds to the site address on this application.**

Energy Star® Verifier Signature \_\_\_\_\_ Date \_\_\_\_\_

Attach Resnet accredited HERS rating documentation.

## Participation Agreement

By signing below, Participant agrees to the terms, conditions, and obligations set forth herein. Participant represents to Intermountain Gas that all energy saving measures have been completed satisfactorily and Participant meets the eligibility requirements shown under the "eligibility" section. Intermountain Gas and/or its representatives may request access to the property on which rebate-qualified work has been completed and/or installed in order to confirm rebate eligibility. Customer understands that Intermountain Gas and/or its representatives may review and evaluate the project during and after completion. Participants agree to provide access to the property for the purpose described above.

Consent to Release of Customer Information: Participants consent to the release of their customer information (including name, service and mailing address, phone number and account number) by Intermountain Gas for purposes of regulatory reporting and to its designated internal or third-party representatives for the purpose of (1) issuing applicable energy efficiency rebates; and (2) verifying completion and/or installation of rebate-qualified energy efficiency upgrades.

Participant Signature \_\_\_\_\_ Date \_\_\_\_\_

## Application Submission

All applications and required forms must be submitted within 90 days of equipment fire date or within 90 days of Energy Star® Verification.
